Freelancer

I am a highly skilled and adaptable Freelance Software Developer with a strong passion for technology and problem-solving. With experience in the industry, I have had the opportunity to work on various projects, ranging from web and mobile applications to software solutions for businesses and individuals.

Education

Bachelor's degree in Health Informatics, Technische Hochschule Deggendorf, Munich

OCTOBER 2021 – MARCH 2025

I am a highly motivated and dedicated fourth-semester student pursuing a Bachelor's degree in Health Informatics at Deggendorf Institute of Technology. With a strong passion for leveraging technology to improve healthcare delivery and outcomes, I am committed to acquiring the necessary knowledge and skills to excel in the rapidly evolving field of health informatics. I have actively participated in extracurricular activities and projects that have further enhanced my practical skills and understanding of real-world health informatics applications.
